

Frequently Asked Questions

Q. We do not qualify for free lunch, can my child still participate?

A. Yes! All children 1-18 years of age are free at any Summer Food Service Program site. There are no other qualifications needed.

Q. Does an adult need to purchase a meal for their child to receive the free meal?

A. No, this program is designed to ensure all children have a nutritious meal throughout the summer.

Q. How do I know where the serving sites are and the time?

A. Locations can be found on our website www.cgesd.org or text: "Food" or "Comida" to 304-304. You can also call 520-876-3411.

Q. Will there be activities?

A. We are scheduling guest speakers and activities. Guest speakers include the K-9 unit, a dental hygienist, and others! We will have activities such as coloring, crafts that can be done at home, theme days, and many others. Not all sites will receive all speakers. We will post the time and locations of our guest speakers on the district website, and all are welcome to attend any site they choose.

Q. How much are meals for adults over 18?

A. Breakfast is \$2.50 and Lunch is \$3.50. Adults may purchase a meal but we ask that you wait until all children have received a meal.

Q. May we take the food home?

A. All food must be consumed at the site, with the exception of fresh fruit and prepackaged items. This is to ensure that children do not drink or eat food that may spoil because it doesn't get refrigerated or properly reheated.

Q. May I ride the bus with my children?

A. Yes! We love having the parents involved. The children love it too!

Q. Are the meals nutritious?

A. Yes! We serve 1% milk and fat-free milk, fruit, and vegetables. All of our meals meet the nutrition guidelines for children.

Q. Must my children be accompanied by an adult?

A. No. We do ask that children under 4 have an older child with them if you cannot accompany them.

Q. Is there a place I can call if I have additional questions?

A. Yes. You may call 520-876-3411.
