# HERE'S WHAT YOUR FAMILY NEEDS TO KNOW ABOUT SCHOOL MEALS

## CAFETERIAS ALL OVER THE COUNTRY ARE EXPERIENCING SUPPLY CHAIN ISSUES

Our Nutrition Services Team is working tirelessly to secure healthy, balanced meals for our students each school day. Just as families had to make substitutions on grocery lists last year, schools will have to make some last-minute changes to our regular menus, based on availability. We hope parents and students will be patient as we sort through supply chain issues.

Shortages and supply chain issues have brought great challenges at ALL points of the chain, including

- Raw Materials
- Manufacturing
- Packaging
- Staffing Issues
- Transportation
