

CASA GRANDE  
ELEMENTARY  
SCHOOL DISTRICT #4

# We Asked - You Answered

In May 2021, we surveyed students' families to gain insight about how COVID affected students and education. These results are the family responses and we wanted to share these with the community.

**48% reported their students have unfinished learning**

**46% reported their students need extra academic support**

**77% reported positive school support/communication**

**cgesd.org**

**79% agreed children had adequate food access in 2020-2021**

**80% agreed CGESD followed Health Dept Guidelines**

**80% reported their children love coming to school**

**84% agreed CGESD is prepared for safe in-person learning**

**81% reported their children feel safe and supported at school**

**47% optimistic about post-COVID peer relationships**
