March 15, 2020

Dear CGESD Families,

As you may have heard, in light of the increasing concern around COVID-19, Governor Ducey and Superintendent Hoffman have called for school closures in Arizona for a period of two weeks. This means school is not scheduled to resume in CGESD until March 30th.

On behalf of the Governing Board and our CGESD Leadership team, I want to encourage you to take the extra precautions necessary to safeguard your health and that of others. It's everyone's responsibility to help stop the spread of this virus.

We are making plans to ensure our students receive meals. Our Nutrition Services, Transportation, and Facilities Services Departments are ironing out the details and taking extra precautions to make sure our kitchens and vehicles are well cleaned and ready for the distribution of grab-and-go meals for our students. We will send detailed information about when the service will begin, along with the distribution times and locations.

I have received multiple messages from teachers and staff wanting to help. We will persevere through this challenge, and we will do so together. Please check your messages often to get further updates.

Sincerely,

JoEtta Gonzales
Superintendent
