## Principal's Message

Cholla students and staff are back in full force learning, exploring, and building relationships with one another. At Cholla, our school expectations are to be kind, respectful, and safe. It is great to see so many students exhibiting these expectations every day when they are at school.

Great news! Our PTO has voted in new officers for the 2022-2023 school year. They are excited to get the PTO up and running so that they will be able to support Cholla's students, staff, and families in our community. If you would like to be part of the PTO, please join us at our next meeting September 27 at 5:00 P.M. in our media center. You can also find more information about Cholla's PTO on their Facebook page.

We are excited to start bringing back some of our school events. Family Literacy Night is September 22 at 5:00 P.M. in our cafeteria. This is a free night of fun for Cholla families. We hope to see all Cholla families enjoy this event.

Please remember if you plan on volunteering or chaperoning a field trip, you must be on the district's approved volunteer list. You can easily access the volunteer form online at [CGESD.org](http://CGESD.org).

## Introducing Ms. Vallejo and Pinto

Our School Psychologist, Maria Vallejo, has been training her dog Pinto to become a Therapy Dog. Pinto is a 1 year old Parti Standard Poodle and has been training on and off campus for the past year. Pinto started his last course in August and will graduate before Fall Break.

Therapy dogs are dogs who go with their owners to volunteer in settings such as schools, hospitals, and nursing homes. From working with children who are learning to read to visiting a senior in assisted living, therapy dogs and their owners work together as a team to improve the lives of other people. If you happen to see Pinto, stop by and say hello!
