Message From the Principal

Happy Spring! We've had a wonderful return to in-person learning. Thank you for your patience and understanding as we work to create a safe learning environment for all students. Thank you for attending conferences in-person or virtually.

As you know, we have extended our school day by 15 minutes. Dismissal is now at 2:15. All dismissal procedures have remained the same, only the times have changed. Older siblings are dismissed at the time of their youngest sibling.

2:13-Kindergarten and First Pick-Up Dismissal

2:15-Second and Third Pick-Up Dismissal

2:17- Fourth and Fifth Pick-Up Dismissal

Students can be dropped off in the morning starting at 7:30. We ask that you do not drop students off earlier than 7:30. We have buses arriving at 7:15 and we are distancing students at arrival. If you are dropping your child off after 8:00 you are required to come into the office to sign them in.

Bus routes are on our district website at <https://www.cgesd.org/domain/47>. There you can also find a link to the Traversa Ride 360 App and information for student drop off times.

Thank you for supporting our on-line book fair! There are still a couple of days for you to purchase books. We are able to earn credits to purchase more books for our school library!

Thank you to everyone who purchased a Cholla/State 48 shirt. We appreciate your support!

Third, fourth and fifth grade students will be taking the AzMerit test this month. Please make sure your child is at school on time and that you avoid making appointments during the school day. Thank you for your support. For more testing information please go to <https://azm2portal.org/> or contact your child's teacher.

Family Resource

Cholla Families,
I would like to introduce Mrs. Robin Axe. She is a Youth Engagement Specialist with Horizon Health and Wellness. We have partnered with Horizon and Mrs. Axe works on Cholla's campus one day a week. She is available to support students and is able to help apply for AHCCCS insurance and connect families with emergent needs and other related services within our community. Please call the school if you would like to set up an appointment to meet with Mrs. Axe, or contact her directly at (602) 647-2602.

Celebration!

Mrs. Romero was recognized for completing CGESD's Grow Your Own Program. Mrs. Romero has completed her special education teaching certificate and will continue to teach at Cholla. We are very proud of her hard work!
