

THE CHARGER

February Newsletter

Message From The Principal:

I hope this newsletter finds you safe and healthy. I know this past month has been challenging for many. Fortunately, we have been able to remain in-person. We appreciate your support with our Covid procedures and know it is not easy when your child gets sent home to quarantine. Because of our high rate of spread we have implemented our mask mandate. Students have been doing a great job keeping their masks on while in the building. We are hoping to lift the mask mandate after February 9th.

All staff members are working hard to keep your students safe and still provide a quality education to all of our Chargers. Please contact me with any questions you may have about our Covid procedures and we really appreciate your support and kindness during this time.

I also want to let you all know that at the end of this school year I will be resigning as the principal of Cholla. This decision was made with a heavy heart and extremely difficult to make, but after my recent battle with cancer and the added stress of leading a school during a pandemic it is time to prioritize my health and family. I am committed to lead Cholla to the best of my abilities until my last day. Please reach out if you have any questions.

Sincerely,

-Ms. Sullivan, Principal

Garden Tools and Seeds Needed

Part of Cholla's ground renovations project was a new garden area! We would love to have our students start planting things for a spring garden. We are in need of garden tools like small shovels and and other tools for digging. We are also in need of seeds of all kinds. If you are able to donate any of these items we would greatly appreciate it!

Special Thanks To...

To the Casa Grande Alliance for their generous donation of school supplies! We greatly appreciate their contribution and continued support. If you would like more information on needed items, please contact the office.

Congratulations

Two of our teachers had their DonorsChoose projects fully funded. Mr. Crockett will be receiving new robot kits for his students to use during his after school club and Ms. Sutera has received 12 ukuleles for students to use. We appreciate the kindness of those who donated to these projects! If you would like to learn more about how to donate to a DonorsChoose project, please call our office for more information.
