

The Charger

January Newsletter

Message From The Principal:

Happy New Year to all of our Charger families. I would like to wish you all a safe and healthy year to come. Our staff is excited to welcome back students for third quarter! Thank you so much for your support during our first part of the school year. I know we faced some unforeseen challenges and your support was and is so appreciated.

As we begin the second half of our school year it will be important to continue being diligent about monitoring the health of our students and staff. We want to ensure all students and staff are symptom-free without the support of medication for at least 24 hours prior to returning to school. We want to be sure you know about our updated strategies that may affect your family. Please take note of the following:

-Quarantine periods for individuals testing positive (as well as siblings in the same household) will now be a minimum of 5 days.

-Families with students identified as 'close contacts' will have the option to participate in our expanded "Test to Stay" program or adhere to the minimum 5 day quarantine period.

Please call the office with any questions you may have.

Happy New Year!

-Ms. Sullivan, Principal

Recess Equipment Needed

We are in need of soccer balls, basketballs, and kickballs for students to use on our new courts and fields. If you are able to donate any of these items we would greatly appreciate it!

Special Thanks To...

*Our student council representatives and officers for modeling our school expectation of being kind and hosting our Socks for Santa Drive. They collected over 1000 pairs of socks that were donated to our local shelters!

*Cholla staff for hosting a drive through light show for our families. We had over 250 families attend. We would like to thank all the families who attended and the staff who worked hard to make the event a success. We were able to collect 200 additional pairs of socks to donate.

Congratulations

Mrs. Lie Wijaya and her 3rd grade class were adopted by the Delta Kappa Gamma Alpha Zeta Chapter of Casa Grande. The Casa Grande chapter will be donating their time to supporting this class in several ways including making supply donations, reading to the class, and spending time with students throughout the rest of the school year. We appreciate their dedication to our students!
