Principal Message

Evergreen Elementary- A Great Place to Grow.

The month of October is always a favorite, fall break, Halloween, Parent-Teacher Conferences. This year the month of October will look and feel a little different, but it is our goal to make it just as meaningful and enjoyable as in the past. While Fall Break will still be during the week of October 12-16, Parent Teacher Conferences will begin taking place September 26th and will be scheduled directly with your child's teacher. Several accommodations can be made for families to help facilitate conferences and we encourage you to reach out to our teachers with preferences.

As we inch closer to an in-person return, please know that the entire staff at Evergreen is working hard to ensure that we come back to a safe, enriching, and supportive learning environment. Over the next few weeks, we will be communicating directly with families about the safety and health protocols that will be implemented at Evergreen upon our eventual return. There will be several changes due to our pandemic response, but rest assured that your child's academic, social-emotional, and physical well-being will remain our top priority.

Evergreen Elementary is a PBIS School. Our Mission is to Create and foster a positive community where everyone belongs. The three school-wide expectations at Evergreen are to Be Safe, Be Positive, and to Be Responsible. Our staff will be continuously recognizing and reinforcing these expectations throughout the school year and we appreciate your support as we transition to a more positive and forward-looking behavior management system.

As always, please do not hesitate to contact our office at 520-836-6694 with any questions. You can also follow Evergreen's Facebook page @EvergreenCGESD to receive updates and to see some exciting things our students are working on.
