From the desk of Mrs. Rosales...

Our PTO has purchased new spirit items for our Eagles and their families! We have new styles of t-shirts and sweatshirts along with student masks. Stop by our school office if you are interested in purchasing our new spirit swag to support our Eagles and our PTO!

As we continue with our distance learning, we are proud of how our students have adapted to this change in learning. Teachers are finding new ways to engage their students with online activities and various platforms. Our academic coaches are supporting our teachers with new resources and reflective conversations about teaching and learning. Support staff are supporting teachers and students as they work with small groups of students on specific skills. Our students also have the support of you, our Eagle Families. We know that you are an integral part of the success of our Eagles as you help them maneuver through their learning at home, at daycare, or at one of our many learning hubs. We appreciate the constant communication you have with your child's teacher and the school office to ensure we work as partners in the education of our students.

We are looking forward to seeing our students and staff back on our campus on March 1. Stay safe and healthy, Eagles!

Partners in Education,  
Robin Rosales, Principal

## Online Assessments

It is that time again! Students are taking part in the iReady reading (K-5) and Mastery Connect math benchmarks (3-5). These tests are used to monitor growth from the beginning of the year until now and are very important in helping the teacher in planning to meet the instructional needs for your child. Any assistance provided to your child when reading or answering questions on the assessment will skew the results and will prevent the teacher from receiving accurate data. If they ask you for help, please just tell them to try their best!

## Attendance

Is your child out today? Please contact the front office and let us know at 520-836-5086.

The front office takes calls from 7am to 4pm, but can only excuse absences for that day.

## PTO

T-shirts - \$12

Masks - \$6

**Available in the front office daily.**

**We have ordered more sizes to purchase!**

## Did You Know...

The devices checked out to the student (iPads and Chromebooks) are for school work only. They are not for personal or entertainment use. This includes gaming websites and YouTube. You can monitor your child's activity in two ways.

**First, check their browsing history.**

- On a Chromebook, while in the web browser, click on the three vertical dots under the X in the top right corner. Click "History" then "History" again. It will take you to a list of the activity which cannot be deleted.
- On an iPad, go to the Safari browser, and select the book icon at the top by the address bar. Then tap the clock that appears below it. This will show the websites visited each day.

**Second, you can sign up for [BARK](#).**
