From the desk of Mrs. Rosales...

A big THANK YOU to our families, community members and staff who volunteered their time or donated items to ensure our Candy Cane Lane Event was a success! It was heartwarming to see all of the smiles on the faces of our Eagles, families, and staff. Everyone who drove through enjoyed the festivities and holiday cheer!

We appreciate all of the families who donated food items for the Casa Grande Food Bank. We were able to fill up our sled and those items went to the tables of those in need. Your generosity was very much appreciated!

Even during distance learning, we are seeing our students displaying the 7 Habits throughout their Zoom lessons and while completing their online assignments. We are honoring those students that are receiving Soaring Eagle Certificates during announcements each week. Keep up the great work, Eagles!

Our Ironwood Eagles are kicking off a new year with new goals and we are looking forward to their continued success in 2021! We challenge our students to be a leader--every day, everywhere, and in everything they do. Our students are up for the challenge!

## Candy Cane Lane

Thank you to everyone who came out for our drive-thru event, Candy Cane Lane. It was great to see our students and families again!

We gave away hundreds of cookies, candy canes, and cocoa to students. A raffle ticket was given out for a basket of holiday decorations and a \$50 gift card. The winning raffle ticket was announced the following day on Facebook and School Messenger. Congratulations to the lucky winner!

## Food Donations

The caring nature of our Ironwood families was shown at the Donation Station during the Candy Cane Lane event. The amazing collection was picked up by the Casa Grande Food Bank on December 18th for local families.

## Think About It

As we prepare to return to in-person learning, please remember how important it is to be safe during pick up and drop off. Please use the manned crosswalk available at the corner of Sunset and Colorado, just south of the school, to walk home or return to your car in the church parking lot.

Students are witnessing parents and children run across the road, without using the crosswalk. This has led to unescorted students attempting to do the same, which is very dangerous.

Please help us set a good example and keep all our students safe by using the crosswalks.

Thank you!
