

Math for Change

Do you want to build a flexible, deep understanding of mathematics to better serve your students?

Math for Change is a professional development opportunity for those seeking to become math leaders in the Casa Grande Elementary School District.

Commitment for this school year:

- 3 after school Math for Change trainings in Spring 2020: February, April, and May
- Attend a Math Plus conference in July. (Details TBD). Registration and travel expenses will be paid.

Commitment for 2020-2021 school year:

- Attend 4 full-day trainings (one per quarter)
- Meet with a Math for Change leader as needed to plan
- Open as a math model classroom the spring semester of 2021 for observations
- Plan and provide PD-grade level, school-wide, or district (minimum of one)

Application Process:

To apply for an interview, [please complete the information in the linked Google Form](#). All information will be submitted to the Teaching & Learning Office.

***Form must be submitted by Friday, January 17th.**

*Responses will be evaluated for an interview opportunity. All applicants will be notified of interview status no later than January 24, 2020.

*Interviews will be conducted January 27th-February 7th.

*All interviewees will be notified of acceptance status by February 14th.
