

ATTENTION ALL EMPLOYEES!

NEW DENTAL NETWORK EFFECTIVE JULY 1, 2019

Effective July 1, 2019, Casa Grande Elementary School District will change dental carriers from MetLife's Preferred Dentist Program (PDP) Plus Network to **Delta Dental's PPO plus Premier Network**. You will receive a new Delta Dental ID card in the mail to the address we have on file prior to July 1. A Delta Dental information kit will be delivered to your worksite prior to Friday, May 17, 2019.

Delta Dental's PPO plus Premier Network will offer you and your family the same dental coverage and benefit plan design as MetLife's PDP Plus Network. If you are currently covered in our MetLife network, you will be automatically enrolled in the Delta Dental network. Most, but not all, of the dentists on the MetLife network are also on the Delta Dental network. If your dentist is not part of the Delta Dental network of dentists, you may choose to stay with your current dentist and be covered at their out-of-network benefit level or look for a new dentist online at **deltadentalaz.com** and click **Provider Search** in the top menu then select **Find a Network Dentist** or you can dial 800-352-6132 and select option 5.

If you have already met or paid anything toward your \$50 deductible for calendar year 2019 under the MetLife PDP Plus Network, you **WILL** have to start over with a new deductible with Delta Dental beginning July 1, 2019, BUT the \$1000 maximum coverage provided for calendar year 2019 will start over effective July 1, 2019!
