FIND STUDENT

- 7) Once registered, login to the mobile app and then add your child by going to My Students and choosing the + button. This will present the Find a Student screen.
- 8) Enter the unique information provided by your district to find your child. Repeat this step to continue adding your children.
- 9) When all children are added, you can then view transportation information for each of your children.
- 10) If you’d like to share a student link with another person, go to My Students and either long-press for Android, or left-swipe for iOS.
- 11) Choose which students to share, then enter the email address of the person you’d like to share with. That person will receive a confirmation email, which will then automatically link the student to that user. They will be required to register with Ride 360, if they haven’t already done so.
