## A WORD FROM OUR SCHOOL COUNSELOR

Happy turkey month Bobcat families!! I am so excited to introduce the month of November with how our brain works into our classrooms. We will be going over how we can identify new coping skills through regulation and rhythmic movement. We will have a few activities to complete together and discuss what works well and how we can use these at home and in the classroom so please make sure to ask your student what new skills they used and learned. Once again, at Cottonwood we are a PBIS (Positive Behavior Interventions and Systems) school. That being said we strive on four expectations school wide: Being Kind, Being a Leader, Being Responsible, and Being a Learner. These expectations will be reviewed as we learn about how our brain works in and out of the classroom. We will also be having a turkey trot on Tuesday, November 26th where families are welcome to join their students in the trot. We will have music and a turkey joining us around the track!!

Look for more information on our turkey trot times as we get closer.
