## Parent or Guardian Cosigner

As the parent or guardian of this student, I understand that the Internet, electronic mail, and technology resources such as computers are intended for educational purposes only. I understand that although the School District has taken reasonable precautions to protect against my child's access to inappropriate material, it is impossible for the District to restrict access to all controversial or offensive materials. Accordingly, I will not hold the District responsible for information on the Internet acquired by my child. I also agree to report to my child's school principal any misuse of the Internet, electronic mail, or other district technology resources.

The District and teacher will not be responsible in the event that a student misuses the Internet or otherwise violates the school's rules for conduct. I understand that many services and products are available for a fee and acknowledge the responsibility for any expenses incurred without District authorization.

I agree that my child will abide by the District policy, regulation, and exhibit on appropriate use of the Internet.

I hereby give my permission to have my child actively use the Internet, to view the Internet during classroom/lab presentations, and certify that my child has agreed to abide by the terms and conditions of this agreement. Once this permission is given, I understand that it will remain in effect until I notify the District, in writing, that I wish to revoke it.
